

UNITED ARAB EMIRATES FAMOUS CITY NOW PLAYABLE ON THE WORLD'S MOST REALISTIC SPORTS SIMULATOR

Dubai can now be played upon the world's most fun and accurate Sports Simulator, giving great enjoyment to all players. The city's most famous places such as Atlantis Palm Hotel, Burj Khalifa, Burj Al Arab (Sail Hotel), Dubai Opera, Jumeirah Beach Hotel, Almas Tower, Deira Clock Tower, Dubai Frame, Dusit Dubai, Mohammed Bin Rashid Library, Museum of the Future, Emirates Office Towers, Dubai World Trade Centre, Princess Tower, Zayad Sports City Stadium, Rose Tower, Dubai Tennis Stadium are all set in one incredible playing environment. The most popular sports playable on the Ultimate Simulator in the Arabian Region include Football, Cricket, Tennis, Motor Racing, Golf, Rugby, Basketball, Archery, Handball, Volleyball and Shooting. There are 36 Sports playable on 2,580+ Sporting Venues around the world, with 800+ game challenges, ensuring fresh excitement. With free of charge continual upgrades, establishments such as family entertainment, hotels, sports stores, restaurants, residential apartments, health clubs, theme parks, cinemas, trampoline parks and shopping malls have exciting reasons why customers will wish to return regularly. Expo 2020 commences in October in Dubai for 6 months and Sports Simulator was requested to recreate this city as a priority so that Expo's partners will get the maximum marketing benefit from the many sporting events hosted on this user-friendly technology. Any major city can be recreated from around the world alongside any game challenge featuring sponsors own branded product or service. Which famous city and game challenge should we create next?
