

## CLEMSON TIGERS HAVE THE BEST COLLEGE FOOTBALL, BASKETBALL, BASEBALL, SOCCER, GOLF & VOLLEYBALL TEAMS IN THE STATES

Clemson is located in Southern Carolina, between Charlotte and Atlanta, in 2017 the Tigers opened the United States's best college sports complex. After Thad Turnipseed, Clemson's director of external affairs visited the 36 best facilities around the country and was told by football coach Dabo Swinney to "take the best from each place". Clemson University won the 2019 College Football Playoff Championship with a stunning annihilation of Alabama, the Tigers' second title in three years. The entrance has a hill that mimics "The Hill" at Memorial Stadium that players run down, as they enter the stadium. The back of the building has a slide, quickest way to the incredible practice field the idea of Dabo the coach after he saw a similar slide at Google headquarters. A large proportion of Clemson's success comes from recruiting the best training processes having invested over \$55 million. They installed the very best pitches, fitness centre, biometrics, alongside the impressive 3d sports simulator, enabling players to train within all the top College and NFL Virtual Stadiums. So techniques can be accurately measured and practised for Field Goal, Kick-Off, Punt, Touchdown Throw, Hail Mary, Passing etc.
