

CRICKET TWENTY20 STADIUMS - SINGAPORE

SINGAPORE NATIONAL

CAPACITY : 55,000

CONSTRUCTED : 2014

Singapore National is a multi-purpose stadium located in Kallang, Singapore. The stadium features a domed roof structure with a retractable roof and configurable seating on the lowest tier to make it the only stadium in the world that is custom designed to host football, rugby, cricket twenty20 and athletics events.
