

ULTIMATE RESIDENTIAL COMMUNITY OFFERING THE COMPLETE RANGE OF LEISURE ACTIVITIES

Keva Flats in Pennsylvania, has been especially designed for residents, wishing to be fully engaged socially within this luxury community. Offering a dramatic suite of amenities, with neighbours playing a wide variety of 22+ different sports, in the multi-sport room. The most popular being football, soccer, tennis, basketball, golf, ice hockey, baseball, foot golf and disc golf with many other sports played too. This compliments Keva's other leisure activities such as the resort-style private pool, the state-of-the-art fitness club and the outdoor multi-sport court. The Super Simulator enables Keva to run an extensive activities program, combined with the in-house fitness classes and personal training. Residents regularly host dinner parties in the private dining room or lounge on the roof-top terrace and fire pits with friends. By offering this complete range of leisure activities, the sale of new apartments has proven to be very popular indeed.
