The main view shows a racing scene from the perspective of a driver in a red and blue car. The car is on a track with other cars visible in the distance. The track is surrounded by a fence and a large blue and yellow Hot Wheels sign. The driver's car has a large rear wing and a front splitter. The driver's car is in the lead position.

The mini-map shows the current position of the driver's car on the track, with a red line indicating the track layout.

The driver's cockpit dashboard shows various gauges and indicators, including a speedometer (0-120 MPH), a tachometer (0-7000 RPM), and a fuel gauge (0-100%). The speedometer shows 43 MPH and the tachometer shows 1350 RPM.
